Our Specialists in metal alloys can produce a wide range of heat-treatable super-hard tubing

Goldmark manufactures precious metal tubing for the jewelry industry. We custom produce tubing and findings to any specifications.

At Goldmark you get innovation and creativity. We are constantly developing new products. We have our own modern tool & die shop with experienced engineers and the most modern equipment.

No charge for producing dies with your logo, for large orders.

Goldmark is a full service manufacturer. We can produce all types of findings using your sketches and designs from concept to completion in our own plant.

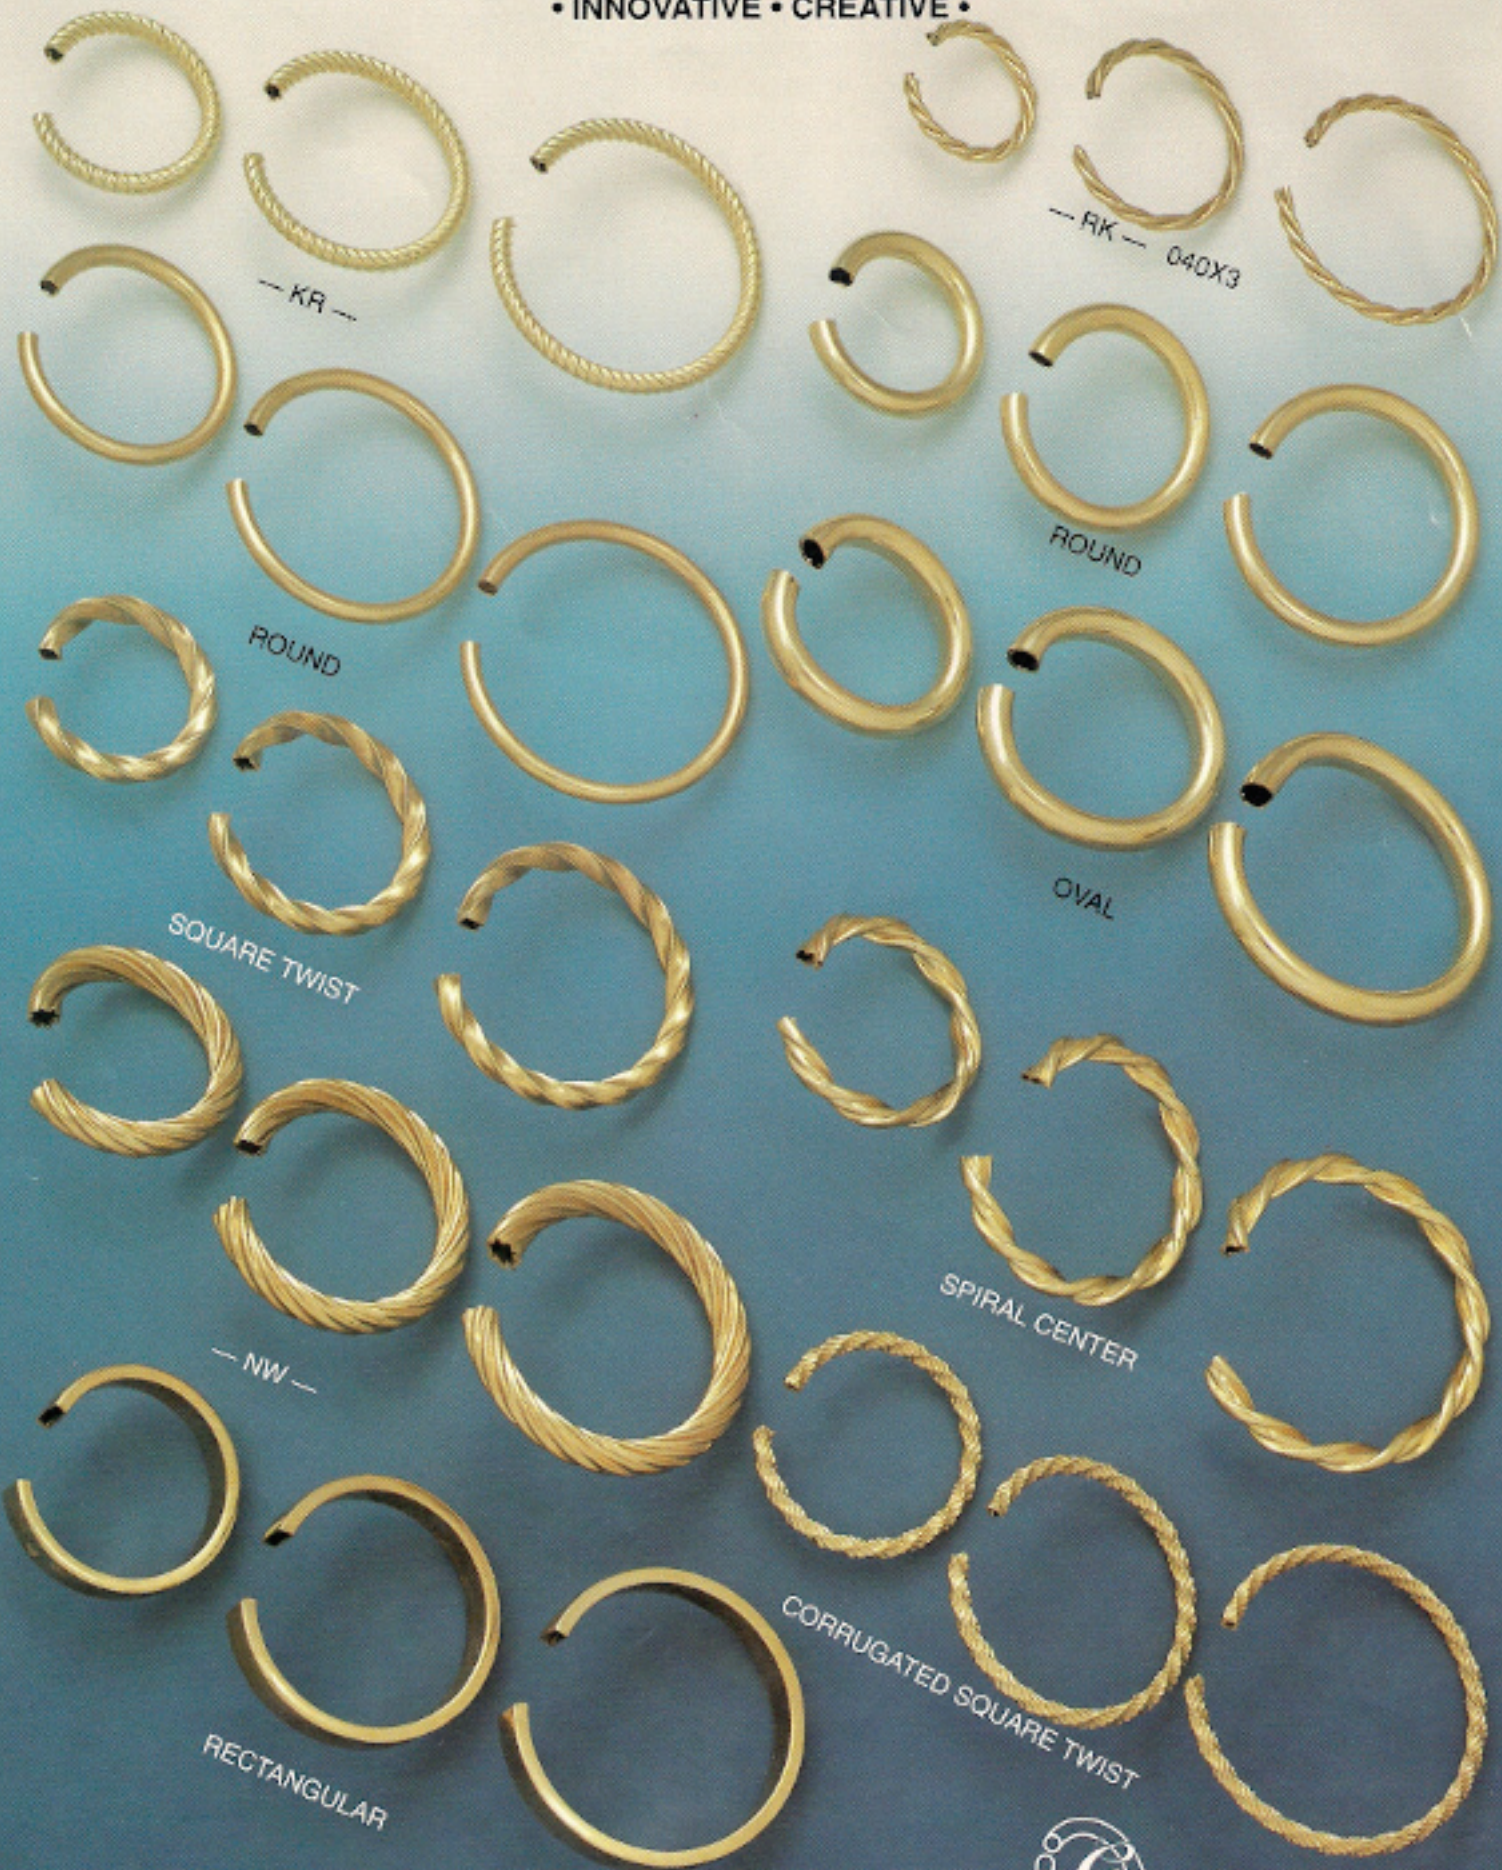

Not all findings shown.

Goldmark produces gold and silver seamless tubing in a variety of shapes and patterns.

At Goldmark we place emphasis on quality control and efficiency. Orders are shipped promptly and expeditiously. Call us with any problem. Our engineering department will be happy to discuss it with you.

SPECIALISTS IN METAL ALLOYS, CUSTOM PRODUCING HEAT TREATABLE TUBING
